Hi All

Please see the attached calendar, this year there have been several changes to the format and at this stage it is provisional, bearing in mind we have to ensure that it falls in line with correct week end and we will obviously be discussing it with the Pathfinders Trials club.

This year all members have been allocated a trial to set up, it must be remembered that we all joined a trials club to ride trials and must take a fair share of the working load, if you find that you are unable to assist with the setting of your allocated trial then it is your responsibility to contact the committee member responsible for the smooth running of this club function to arrange a swap, i.e. another club member will take your place and you will fill his spot in on the calendar, giving as much notice as possible to Committee member responsible, Ian Coates {08} 92491692

PLEASE REMEMBER, at the completion of a trial every one needs to help pull the pegs and clean up the tape, we need to do this to keep the privilege the farmer allowed in letting us ride on their property, the accepted practice is that you pull the section which is you last number of your riding number, i.e. if riding number is 12 then you pull section 2

PLEASE NOTE WITH OUT FAILURE, TO PRACTICE AT THE CLUB THERE NEEDS TO BE AN OFFICIAL SIGNED ON THE OFFICIAL IS NOT A RIDER, YOU NEED TO BE A FINANCIAL MEMBER FOR YEAR 2010 FROM THE 01/01/2010, FAILURE TO COMPLY CAN RESULT IN AJS MCC BEING FINED AND LOOSE THE PRACTICE PERMIT THROUGH MWA. KEY ARE NOT TO BE LOANED OUT THEY ARE YOUR RESPONSIBLTY. FAILURE TO COMPLY WILL RESULT IN YOUR KEY BEING WITHDRAWN.
